

[BUG] Tensor does not have `\_batch\_size=None` after `map\_wires`

<https://github.com/PennyLaneAI/pennylane/issues/3660>

ROW 128

[BUG] Tensor does not have `_batch_size=None` after `map_wires` #3660

[New issue](#)[Closed](#)[#3661](#)

dwierichs opened on Jan 20, 2023

...

Expected behavior

```
>>> op = qml.PauliX(0) @ qml.PauliZ(1)
>>> print(op.batch_size)
None
>>> mapped = qml.map_wires(op, {0: 3, 1: 2})
>>> print(mapped.batch_size)
None
```

Actual behavior

```
>>> op = qml.PauliX(0) @ qml.PauliZ(1)
>>> print(op.batch_size)
None
>>> mapped = qml.map_wires(op, {0: 3, 1: 2})
>>> print(mapped.batch_size)
```

```
-----
AttributeError                                Traceback (most recent call last)
Cell In[43], line 4
      2 print(op.batch_size)
      3 mapped = qml.map_wires(op, {0: 3, 1: 2})
----> 4 print(mapped.batch_size)

File ~/repos/pennylane/pennylane/operation.py:1008, in Operator.batch_size(self)
    996 @property
    997 def batch_size(self):
    998     r"""Batch size of the operator if it is used with broadcasted parameters.
    999
   1000     The ``batch_size`` is determined based on ``ndim_params`` and the provided parameters
   (... )
   1006     int or None: Size of the parameter broadcasting dimension if present, else ``None``.
   1007     """
-> 1008     return self._batch_size

AttributeError: 'Tensor' object has no attribute '_batch_size'
```

Additional information

Recently, #3642 introduced setting the `_batch_size` of a `Tensor` object to `None` within `__init__`. However, the methods `Tensor.map_wires` (used by the PL function `map_wires`) and `Tensor.copy` do not follow this behaviour yet. Therefore the outputs of `qml.map_wires(tensor, map)` and `copy.copy(tensor)` will not have a `_batch_size` defined.

Contributor

Context:

The `_batch_size` attribute of `Tensor` was not copied properly when using `Tensor.map_wires` or `Tensor.__copy__`

Description of the Change:

Change that.

Benefits:

The following works:

```
>>> op = copy.copy(qml.PauliZ(0) @ qml.PauliX(1))
>>> op.batch_size
None
```

Possible Drawbacks:

N/A
